YAMA - FEES RULES

Whitehorse, Yukon, August 2011- July 2011

In order to run effectively our Programs the Yukon Academy of Martial Arts has the Fees Rules which must be respected by all members. Therefore, those Rules are meant to help all of us and are not to be a burden:

1. Fees must be paid at the beginning of every month. We can give short grace period but no longer till the 10th of each month and then we expect a student to fulfill his/her obligation towards Academy otherwise we'll have to deny access to training till a fee is paid.
2. Parents should be especially cautious and take care of your children fee on time. We do not want to embarrass and deny your child entrance to Dojo because of your neglecting.
3. If you apply for sponsorship at Yukon Sport you can receive from us supporting letter but it's your responsibility to fulfill all necessary documents and bring a check from them as soon as your procedure is completed. So, we will not wait unending time believing you've done your job. Please talk to Yukon Sport manager and they will help you to fulfill your responsibility towards the Academy.

For each student the fee are as follow:

1. 1 drop in class - \$25
2. 1 Month - \$125
3. 6 months fee - \$600
4. 12 months fee - \$1000

Women Self-Defense Project
